## ROCKAWAY BOROUGH BOARD OF EDUCATION FOREWARD

### FOREWARD

The Board of Education has authorized the Superintendent to promulgate administrative regulations except where approval by the Board is required by statute or administrative code for the orderly operations of the Rockaway Borough School District that are binding on all pupils, employees, and visitors to the district.

These administrative regulations are intended to give direction to staff members in carrying out Board policies, statutory mandates, and contractual obligations. The operations directed by these regulations should be efficient, amenable to assessment, and considerate of the needs and rights of pupils and employees. Any suggestions for additions or improvements that help attain these objectives are welcome.

These regulations apply to the entire school district. Principals may establish additional rules as necessary to apply these regulations to their school, provided that school rules do not exceed the authority set forth in these regulations.

These regulations will be made available to each employee. Employees and pupils who violate these regulations are subject to disciplinary action.

Authority and Powers

### 0120 AUTHORITY AND POWERS

The general mandatory powers and duties of the Board are defined in Title 18A of New Jersey statutes. Other sections of the statutes state or imply that a local Board of Education has full power to operate the local public schools as it deems fit in compliance with State and federal mandates and pertinent laws of the municipality.

The Board functions only when in session.

The Board of Education sees these as its required functions:

1. Policy Oversight

The Board is responsible for the development of policy and for the employment of a Superintendent who shall carry out its policies through the development and implementation of regulations. The Superintendent will develop regulations in consultation with staff when appropriate. The Board is responsible for evaluating the effectiveness of its policies and their implementation. This includes setting and evaluating goals in educational and financial areas.

2. Educational Planning

The Board is responsible for requiring and acquiring reliable information from responsible sources which will enable it and the staff to work toward the continuing improvement of the educational program.

3. Provision of Financial Resources

The Board has major responsibilities for the adoption of a budget which will provide the wherewithal--in terms of buildings, staff, materials, and equipment--to enable the school system to carry out its functions.

4. Interpretation

The Board is responsible for providing adequate and direct means for keeping the local community informed about the school and for keeping itself and the school staff informed about the wishes of the public. All planning, both that which is and that which is not related to the budget, needs to be interpreted to the public if citizens are to support the school program.

Special meetings shall be called by the Board Secretary at the request of the President or upon a petition signed by a majority of the Board members, and shall commence no later than 8:00 p.m.

3. The meeting will be limited to discussion of and action on these matters; and
4. Notice of such meeting is provided as soon as possible following the calling of such meeting; and
5. One of the following:

Notice of Board Meetings

### Annual Notice

Annual notice of the year's regular meeting schedule must be posted publicly and sent to at least two newspapers and the municipal clerk within seven days following the annual organization meeting. This notice should contain the location of each meeting to the extent it is known as well as the time and date. If the schedule is revised at all, notice must be given within seven days of the revision.

The annual schedule serves as sufficient notice of any regularly scheduled meeting as long as it contains the proper date and location. If most meetings are on a regularly scheduled basis, whether they are formal sessions or study sessions, the notice requirement can be largely met through the once-a-year schedule.

Both the annual schedule of meetings, any revisions to that schedule, and notices of any additional meetings must be sent to any person upon request and upon prepayment of a sum set by the Board. Requests to be on the mailing list for notices can be made on an annual basis and are renewable each reorganization meeting.

### P: 0163 QUORUM

A quorum of the Board of Education shall consist of a minimum of **3** Board members, and no business shall be conducted in the absence of a quorum, except when the Doctrine of Necessity is invoked.

All Board meetings shall be called to commence not later than 8:00 p.m. of the designated day but, if a quorum is not present at the time for which the meeting is called, the Board member or Board members present may recess the meeting to a time not later than 9:00 p.m. of the same day and, if a quorum be not present at that time, the member or members present may adjourn the meeting to commence not later than 8:00 p.m. of another day, but not more than seven days following the date for which the original meeting was called, but no further recess or adjournment of the meeting shall be made.

The Board of Education recognizes there may be matters that come before the Board or acts required of Board members in their official capacity where the Board member may have a conflict of interest or the act by a Board member would be in violation of N.J.S.A. 18A:12-24. In these matters, the Board member(s) shall remove themselves from any discussions, meetings (informal or formal), committee meetings, and/or a vote regarding the matter. The Board will consider this matter without the Board member(s) who has the conflict.

In the event a matter comes before the Board or an act is required of a Board member in their official capacity that is a conflict or would be in violation of N.J.S.A. 18A:12-24, the Board would still be required to have a quorum to consider the matter. However, the New Jersey Department of Education and the School Ethics Commission envisioned this prohibition could create a situation in which the number of conflicted Board members would prevent the Board to take action on a matter. Therefore, when more than a quorum of the Board members must abstain from voting on a matter due to a conflict or the act would be in violation of N.J.S.A. 18A:12-24, the Board will invoke the Doctrine of Necessity consistent with the New Jersey Department of Education and School Ethics Commission guidelines as follows:

#### A. Board Member(s) in Conflict - Less Than a Majority of The Board

1. In the event a Board member(s) has a conflict of interest where the Board member will act in their official capacity, the Board member must remove themselves from any discussions, meetings (informal or formal), committee meetings, and/or a vote regarding the matter.
2. In the event a Board member is unsure whether they or any other Board member has a conflict of interest or whether the matter, if acted upon by a Board member(s)

is in violation of N.J.S.A. 18A:12-24 - Prohibited Acts, the School Board Attorney will make a determination.

3. The School Board Attorney will provide the Board of Education an opinion on whether the matter is a conflict of interest or act prohibited by N.J.S.A. 18A:12-24 - Prohibited Acts.
4. If the Board member(s) believes they have a conflict of interest where they will act in their official capacity or if the School Board Attorney renders an opinion the Board member has a conflict of interest where the Board member will act in their official capacity, the Board member will remove themselves from any discussions, meetings (informal or formal), committee meetings, and/or a vote regarding the matter.

### B. Board Member(s) in Conflict - A Majority of Board Members in Conflict

1. In the event:
  - a. A Board member(s) believes they have a conflict of interest or if acted upon by a Board member is in violation of N.J.S.A. 18A:12-24; or
  - b. If the School Board Attorney renders an opinion a Board member(s) has a conflict of interest or if acted upon by a Board member is in violation of N.J.S.A. 18A:12-24; and
  - c. The number of Board members that have a conflict would make it so the Board would be unable to take action on the matter, then the Board may invoke the Doctrine of Necessity.

### C. Doctrine Of Necessity

1. The Doctrine of Necessity may be invoked when more than a quorum of the Board must abstain from voting on a matter.
2. There are three prerequisites necessary for a Board to invoke the Doctrine of Necessity:
  - a. The Board must be unable to act without the members in conflict taking part;
  - b. There must be a pressing need for action, i.e. the matter cannot be laid aside until another date; and

- c. There can be no alternative forum that can grant the same relief.
- 3. When the School Board Attorney advises the Board the Doctrine of Necessity must be invoked in order to obtain a quorum on a vote, the Board must publicly state:
  - a. That it is invoking the Doctrine of Necessity;
  - b. The specific reason/purpose for which the Doctrine of Necessity is being invoked; and
  - c. The specific nature of the conflict of interest for each Board member that has a conflict of interest:
    - (1) The specific nature of the conflict of interest for each Board member should include the Board member's name; the name of the immediate family member or relative which is the basis for the conflict of interest, and the position that immediate family member or relative holds; or
    - (2) If the specific nature of the conflict of interest for a Board member is a conflict other than an immediate family member or relative, the announcement should include the conflict which is the basis for the conflict of interest.
- 4. When the Board invokes the Doctrine of Necessity, it will adopt a Resolution setting forth the same information as outlined in C.3. above.
- 5. When the Board invokes the Doctrine of Necessity, the Resolution will be:
  - a. Read at a regularly scheduled public meeting;
  - b. Posted in such places the Board posts public notices for thirty days; and
  - c. Provided to the School Ethics Commission.
- 6. The Board members who have a conflict in the matter are prohibited from:
  - a. Participating in any discussions on the matter prior to the announcement of the invocation of the Doctrine of Necessity at the public meeting;

- b. Being present in an executive session when the matter is being discussed; and
  - c. Offering their opinions on the matter at any time prior to the announcement or the invocation of the Doctrine of Necessity.
- 7. The Board members who have a conflict may only ask questions regarding the matter to be voted on in public and after the Board has invoked the Doctrine of Necessity.
- 8. The Board members who have a conflict may explain their reasons for not voting just before the vote.

0164.6 REMOTE PUBLIC BOARD MEETINGS DURING A DECLARED EMERGENCY

A. Purpose – N.J.A.C. 5:39-1.1

1. The purpose of N.J.A.C. 5:39-1.1 et seq. and Bylaw 0164.6 is to ensure a Board of Education or Board of Trustees of a charter school can conduct official public business in an open and transparent manner whenever a declared emergency requires a local public body to conduct a public meeting without physical attendance by members of the public.
2. Nothing in N.J.A.C. 5:39-1.1 et seq. prevents a local public body from holding a remote public meeting under such other circumstances as may be permitted by the Open Public Meetings Act, N.J.S.A. 10:4-1 et seq.

B. Definitions – N.J.A.C. 5:39-1.2

For the purpose of this Bylaw and in accordance with N.J.A.C. 5:39-1.2, the following words and terms have the following meanings, unless the context clearly indicates otherwise:

"Adequate notice" shall have the same definition as at N.J.S.A. 10:4-8; however, for the purpose of N.J.A.C. 5:39-1.1 et seq., and to the extent not otherwise set forth at N.J.S.A. 10:4-8, the notice transmitted to at least two newspapers for publication may occur through electronic mail or other electronic means that is accepted or requested by the newspaper.

"Annual notice" means a schedule of regular meetings of the public body to be held in the succeeding year noticed pursuant to N.J.S.A. 10:4-8 and 10:4-18. For the purpose of N.J.A.C. 5:39-1.1 et seq., the annual notice may be transmitted through electronic mail to newspapers and persons requesting an annual notice pursuant to N.J.S.A. 10:4-18. If the declared emergency prevents the local public body from mailing an annual notice to individuals requesting notice pursuant to N.J.S.A. 10:4-18, it shall be mailed to individuals for whom the local public body does not have an electronic mail account as soon as practicable.

"Board" or "Board of Education" means a Board of Education or a Board of Trustees of a charter school as defined as a "local public body" or "public body" as per N.J.A.C. 5:39-1.2.

"Declared emergency" means a public health emergency, pursuant to the Emergency Health Powers Act, P.L. 2005, c. 222 (N.J.S.A. 26:13-1 et seq.), or a state of emergency, pursuant to P.L. 1942, c. 251 (N.J.S.A. App.A.9-33 et seq.), or both, or a state of local disaster emergency that has been declared by the Governor and is in effect.

# ABOLISHED

"Electronic notice" means advance notice available to the public via electronic transmission of at least forty eight hours, giving the time, date, location and, to the extent known, the agenda of any regular, special, or rescheduled meeting, which shall accurately state whether formal action may or may not be taken at such meeting.

"Internet" means the international computer network of both Federal and non-Federal interoperable packet switched data networks.

"Live streaming" means the live audio and video transmission of a remote public meeting over the Internet.

"Local public body" means any "public body," as that term is defined in N.J.S.A. 10:4-8, with territorial jurisdiction equal to or less than a county. This term shall include Boards of Education, counties, municipalities, boards and commissions created by one or more counties or municipalities, and any authorities subject to N.J.S.A. 40A:5A-1 et seq., including fire districts and other special districts, along with joint meetings or regional service agencies as defined in N.J.S.A. 40A:65-3.

"Public business" means and includes all matters which relate in any way, directly or indirectly, to the performance of the public body's functions or the conduct of its business.

"Public meeting" means and includes any gathering whether corporeal or by means of communication equipment which is attended by, or open to, all of the members of a public body, held with the intent, on the part of the members of the body present, to discuss or act as a unit upon the specific public business of that body. Meeting does not mean or include any such gathering (1) attended by less than an effective majority of the members of a public body, or (2) attended by or open to all the members of three or more similar public bodies at a convention or similar gathering.

"Remote public meeting" means a public meeting that is conducted by any means of electronic communication equipment permitted pursuant to N.J.A.C. 5:39-1.1 et seq.

- C. Circumstances Under Which a Board of Education May Hold a Remote Public Meeting During a Declared Emergency for Conducting Public Business – N.J.A.C. 5:39-1.3
  - 1. In addition to any circumstances under which public meetings held by means of communication equipment may be authorized pursuant to the Open Public Meetings Act, N.J.S.A. 10:4-1 et seq., the Board may hold a remote public meeting to conduct public business during a declared emergency if the emergency reasonably prevents the Board

# ABOLISHED

from safely conducting public business at a physical location with members of the public present.

2. If, during a declared emergency, the Board holds a physical meeting in a location where, pursuant to State and/or Federal guidelines meant to mitigate the risk of a contagious infection, the declared emergency necessitates capacity restrictions reducing the number of individuals that can be present in the meeting room to an amount below that reasonably expected for the public meeting by the Board, the Board must either hold the public meeting at another location with adequate capacity for the reasonably expected attendance by the public or hold the public meeting as both an in-person meeting and a remote public meeting.
    - a. As set forth at N.J.A.C. 5:39-1.4(c), no in-person meeting shall proceed if the room capacity does not permit any member of the public to attend.
  3. Nothing in N.J.A.C. 5:39-1.3 shall be interpreted to prevent the Board from broadcasting the audio and/or video of, or taking remote public comment during, a public meeting that the public can physically attend without being subject to public health-related capacity restrictions.
- D. Minimum Technological and Procedural Requirements for Remote Public Meetings Necessitated by a Declared Emergency – N.J.A.C. 5:39-1.4
1. If a declared emergency requires the Board to hold a remote public meeting to conduct public business, the Board shall use an electronic communications technology that is routinely used in academic, business, and professional settings, and can be accessed by the public at no cost.
    - a. Participant capacity on the selected platform should be consistent with the reasonable expectation of the public body for public meetings of the type being held and shall not be limited to fewer than fifty public participants (beyond those persons required to conduct business at the meeting).
  2. Remote public meetings may be held by means including, but not limited to, audio-only teleconferencing, electronic communications platforms with video and audio, and Internet-accessible technology, such as live-streaming.
    - a. If an electronic communications platform or Internet-accessible technology is being utilized for a remote public meeting, a telephonic conference line shall also

# ABOLISHED

be provided to allow members of the public to dial-in by telephone to listen and provide public comment as otherwise required by law.

- b. The Board **shall not** require members of the public to state, prior to providing public comment, whether they wish to speak and to identify themselves prior to speaking.
3. The Board shall provide the public with similar access to a remote public meeting as members of the Board, staff of the Board, and any individuals seeking one or more approvals from the Board.
  - a. If a remote public meeting is held by audio and video, the public shall also have the opportunity to participate in the meeting in both audio and video capacities.
  - b. The Board meeting held in-person shall not prohibit members of the public from attending in-person.
4. Any remote public meeting where sworn testimony is being taken shall be broadcast by video, as well as by audio.
  - a. All individuals giving sworn testimony at a remote public meeting shall appear by video in addition to audio.
5. Any presentations or documents that would otherwise be viewed or made available to members of the public physically attending the Board meeting shall be made visible on a video broadcast of the remote public meeting or made available on the Internet website or webpage of the entity governed by the Board, or the Internet website or webpage of the entity responsible for appointing the members of the Board.
  - a. If a document would be made available to individual members of the public in hard copy while physically attending the meeting, the document shall be made available in advance of the meeting for download through an internet link appearing either on the meeting notice, or near the posting of the meeting notice, both on the website and at the building where the meeting would otherwise be held.
  - b. If the Board does not have its own website, such documents shall be available upon request ahead of the meeting and provided through an official social media account if one exists.

# ABOLISHED

6. The Board holding a remote public meeting shall allow members of the public to make public comment by audio, or by audio and video, if the remote public meeting is held over both audio and video, during the meeting.
  - a. In advance of the remote public meeting, the Board shall allow public comments to be submitted to the Board Secretary by electronic mail and in written letter form by a reasonable deadline.
  - b. The Board shall **accept** text-based public comment received during a remote public meeting held through an electronic communications platform or Internet-accessible technology. Public comments submitted before the remote public meeting through electronic mail or by written letter shall be read aloud and addressed during the remote public meeting in a manner audible to all meeting participants and the public.
  - c. The Board shall impose a reasonable time limit, where permitted by law, of **three** minutes on individual public comments and the same limits shall be placed on the reading of written comments. Each comment shall be read from the beginning, until the time limit is reached. The Board may pass over duplicate written comments; however, each duplicate comment shall be noted for the record with the content summarized. If the Board elects to summarize duplicative comments, the Board must not summarize certain duplicative comments while reading other duplicative comments individually.
7. The electronic communications technology used for a remote public meeting must have a function that allows the Board to mute the audio of all members of the public, as well as allow members of the public to mute themselves.
  - a. Any electronic communications platform or Internet-accessible technology used for a remote public meeting shall also allow the Board to regulate participation by individual members of the public.
  - b. A telephonic audio conference call line must have a queueing or similar function for regulating public comment.
8. Subject to D.5. and D.6. above, the Board shall adopt, by resolution, standard procedures and requirements for public comment made during a remote public meeting, as well as for public comments submitted in writing ahead of the remote public meeting.

**ABOLISHED**

- a. Such procedures and requirements shall include standards of conduct to be followed by members of the public when making comment.
  - b. The procedures and requirements for making public comment, along with an explanation of the audio muting function of the electronic communications platform being used, shall be announced at the beginning of the remote public meeting.
  - c. Regulation of conduct by members of the public on a remote public meeting shall be consistent with law and practices followed if a member of the public disrupts an in-person meeting. The following procedures shall be incorporated:
    - (1) The Board shall facilitate a dialogue with the commenter to the extent permitted by the electronic communications technology;
    - (2) If a member of the public becomes disruptive during a remote public meeting, including during any period for public comment, the member of the Board charged with running the remote public meeting shall mute or continue muting, or direct appropriate staff to mute or continue muting, the disruptive member of the public and warn that continued disruption may result in being prevented from speaking during the remote public meeting or removed from the remote public meeting.
      - (a) Disruptive conduct includes sustained inappropriate behaviors, such as, but not necessarily limited to, shouting, interruption, and use of profanity.
    - (3) A member of the public who continues to act in a disruptive manner after receiving an initial warning may be muted while other members of the public are allowed to proceed with their questions or comments.
      - (a) If time permits, the disruptive individual shall be allowed to speak after all other members of the public have been given the opportunity to make their comment. Should the person remain disruptive, the individual may be muted or kept on mute for the remainder of the remote public meeting, or removed from the remote public meeting.
9. Electronic communications platforms and Internet-accessible technologies used for remote public meetings shall be hosted on FedRAMP Moderate Impact Level Authorized

**ABOLISHED**

dedicated servers or in a FedRAMP Moderate Impact Level Authorized Cloud, unless the host of the dedicated servers or cloud provides annual evidence of satisfactory cybersecurity internal controls through a SOC2 audit report.

- a. When using cloud services, the technology vendor shall check provider credentials and contracts to ensure FedRAMP Moderate Impact compliance unless annual evidence of satisfactory internal controls is provided through a SOC2 audit report.

E. Notice of Remote Public Meetings; Statement in Minutes – N.J.A.C. 5:39-1.5

- a. Adequate notice of a remote public meeting must include, in addition to the content required pursuant to N.J.S.A. 10:4-8, clear and concise instructions for accessing the remote public meeting, the means for making public comment, and where relevant documents, if any, will be made available.
- a. In addition to adequate notice, the Board shall also provide electronic notice of a remote public meeting, except as may be permitted pursuant to N.J.S.A. 10:4-9.3 and E.3. below.
  - a. The electronic notice shall contain the content required pursuant to N.J.S.A. 10:4-8 and 10:4-9.1 and E.1. above, and shall be posted on the Internet website or webpage of Board and/or school district, or the entity responsible for appointing the members of the Board.
    - (a) If the Board does not have a website, electronic notice shall be provided on an official social media platform of the Board; however, electronic notice is not required if the Board does not have an internet presence.
    - (2) Unless otherwise prohibited by the declared emergency, the content of the electronic notice shall also be posted on the main access door of the building where the public would routinely attend public meetings of the Board in-person. The notice must be viewable from the outside.
  - a. If during a declared emergency the Board elects to issue electronic notice of a remote public meeting in lieu of, rather than in addition to, adequate public notice, as permitted pursuant to N.J.S.A. 10:4-9.3, the Board shall limit public business discussed or effectuated at the meeting to matters:
  - a. Necessary for the continuing operation of government and which relate to the emergency declaration connected with the declared emergency; or

# ABOLISHED

- b. Requiring decision during the remote public meeting due to imminent time constraints.
- 4. Nothing in N.J.A.C. 5:39-1.5 prohibits the Board from holding a remote public meeting, notwithstanding the failure to provide adequate notice and electronic notice where permitted pursuant to N.J.S.A. 10:4-9.
- 5. If the Board expects to conduct remote public meetings for a series of regularly scheduled meetings advertised in its annual notice, the annual notice shall be revised at least seven days prior to the next regularly scheduled meeting, indicating which meeting(s) will be held as a remote public meeting and shall contain clear and concise instructions for accessing those remote public meetings, the means for making public comment, and where relevant documents, if any, will be made available.
  - a. In addition to the means of notice transmission required pursuant to N.J.S.A. 10:4-18, the revised annual notice shall be posted on the Internet website or webpage of the Board and/or school district, or the entity responsible for appointing the members of the Board.
  - b. If the Board does not have its own website, the revised notice shall be provided on an official social media platform unless the Board does not have an Internet presence.
  - c. Unless otherwise prohibited by the declared emergency, the content of the electronic notice shall also be posted on the door of the main public entrance to the building where the public would routinely attend public meetings held by the Board.
    - (1) Notice must also be posted on the door for any designated and clearly delineated handicap accessible entrance. These notices must be viewable from the outside.
- 6. If a previously scheduled Board meeting was to allow public attendance without a public health-related restriction as to capacity, but the Board intends to hold the same meeting as a remote public meeting due to a declared emergency and the change is not reflected in a revised annual notice issued pursuant to E.5. above, the Board shall issue adequate and electronic notice for said meeting pursuant to E.1. and E.2. above as if the meeting were not included in the annual notice.

# ABOLISHED

7. At the commencement of every remote public meeting of the Board, the person presiding shall announce publicly, and shall cause to be entered in the minutes of the meeting, an accurate statement to the effect that:
  - a. Both adequate and electronic notice of the meeting has been provided, specifying the time, place, and manner in which such notice was provided;
  - b. Only electronic notice of the meeting has been provided, specifying the time, place, and manner in which such notice was provided, and that discussion and effectuation of public business shall be limited to only those matters:
    - (1) Necessary for the continuing operation of government and that relate to the applicable emergency declaration; or
    - (2) Requiring decision during the remote public meeting due to imminent time constraints; or
  - c. That adequate notice and electronic notice was not provided, in which case such announcement shall state:
    - (1) The reason(s) why the matter(s) discussed are of such urgency and importance, as contemplated pursuant to N.J.S.A. 10:4-9(b)(1), and the nature of the substantial harm to the public interest likely to result from a delay in the holding of the meeting;
    - (2) That the remote public meeting will be limited to discussion of, and acting with respect to, such matters of urgency and importance;
    - (3) The time, place, and manner in which notice of the meeting was provided; and
    - (4) Either that the need for such meeting could not reasonably have been foreseen at a time when adequate notice and/or electronic notice could have been provided, in which event, such announcement shall specify the reason why such need could not reasonably have been foreseen; or that such need could reasonably have been foreseen at a time when adequate notice and/or electronic notice could have been provided, but such notice was not provided, in which event the announcement shall specify the reason why adequate notice and/or electronic notice was not provided.

**ABOLISHED**

8. Where the Board is required by law to provide a meeting agenda, or otherwise provides a meeting agenda by practice at its regularly scheduled meetings, prior to the commencement of the remote public meeting, the Board shall also make a copy of the agenda available to the public for download through an Internet link appearing either on the meeting notice, or near the posting of the meeting notice on the website.

- a. The notice shall also be posted at the building where the meeting would otherwise be held prior to the commencement of the remote public meeting.

**F. Executive or Closed Session During Remote Public Meetings**

1. A Board entering into an executive or closed session shall ensure that audio or video of the session cannot be accessed, except by those individuals that are participating in the session.
  - a. A separate non-public conference line or e-platform session may be employed for this purpose.
2. The secretary of the Board should take roll call with each individual affirmatively identifying themselves prior to commencing the closed session.
3. If a closed session is held through a telephonic conference call a separate call-in line should be made available to ensure confidentiality.
4. For closed sessions during remote public meetings held through video conferencing, audio recording should be muted and video recording blocked by a graphic labeled “Executive Session”.
5. As with in-person meetings, the Board shall have read into the record the reason(s) for entering into executive session.

### **Recording by the Public**

A member of the public may record the proceedings of a public meeting of the Board provided the audio or video recording process complies with reasonable guidelines as outlined in this Bylaw. These guidelines are adopted to ensure the recording of the public meeting does not interrupt the proceedings, inhibit the conduct of the meeting, or distract Board members or other observers present at the meeting.

The Board will permit the use of audio or video recording devices by members of the public to record public meetings.

Prior notice to audio or video record a public meeting is not required provided the person operates the recording device while sitting in the area designated by the Board for public seating. The recording of a meeting from this area shall not obstruct or distract any member of the public from observing and listening to the proceedings of the meeting. If the recording is obstructing the view or is distracting to members of the public, the presiding officer or designee will require the person recording the meeting to relocate to another area of the meeting room.

In the event a member of the public wants or needs to audio or video record a public meeting from an area other than the area designated for public seating, the person shall provide notice of such request to the

Any member of the public wanting to use a recording device from an area other than the area designated for public seating must be located and operated from inconspicuous locations in the meeting room as determined by the presiding officer or designee. Prior to the meeting, the presiding officer or designee will determine the location of each recording device so each video recording device can record the meeting with an unobstructed view and each audio recording device can record a meeting so the speakers and meeting proceedings can be properly recorded. The location of any recording device operated from an area other than the area designated for public seating will be in an area of the meeting room that is not distracting or obtrusive to Board members, members of the public, or the orderly operation of the meeting. Any recording device used outside the area designated for public seating shall be located within a similar distance from the Board as the public seating area. The presiding officer or designee shall determine when the number of recording devices used outside the area designated for public seating interferes with the conduct of a Board meeting and may order that an interfering recording device be removed or relocated.

Additional lighting shall not be used unless approved by the presiding officer or designee prior to the meeting. All recording devices and any related equipment must be battery operated or operational without the use of district electricity as the district will not permit such equipment to be connected to the school district's electrical service.

The presiding officer or designee shall determine if a recording device interferes with the conduct of a Board meeting and may order that an interfering device be relocated.

##### 0169.02 BOARD MEMBER USE OF SOCIAL NETWORKS

In accordance with the School Ethics Act - N.J.S.A. 18A:12-21 et seq., Board of Education members must avoid conduct which is in violation of the public trust or which creates a justifiable impression among the public that such trust is being violated. To avoid conduct that may be in violation or perceived to be in violation of the School Ethics Act, the Board of Education adopts this Policy to provide guidance to Board members in their use of social networks.

For the purposes of this Policy, “social network(s)” shall include, but not be limited to: Internet blogs, electronic bulletin boards, emails, social networking websites, text messages, or any other online platform where people may post or communicate interests, opinions, or any other information that may be viewed by others with or without permission from the person making such post or re-publishing such post. “Social networks” also means an Internet-based service that allows individuals to: construct a public or semi-public profile within a bounded system created by the service; create a list of other users with whom they share a connection within the system; and view and navigate their list of connections and those made by others within the system.

For the purposes of this Policy, “use of a social network” shall include, but not be limited to: posting to a social network, reposting another person’s post to a social network, messaging, or any other publication of material on a social network.

Nothing in this Policy prevents a Board of Education member from using a social network. However, a Board member must avoid conduct on a social network that would violate the School Ethics Act – N.J.S.A. 18A:12-21 et seq., which includes the Code of Ethics for Board Members. Board members should be advised communications, publications, photographs, and any other information posted by the Board member or reposted by the Board member on a social network could violate the School Ethics Act and be cause for sanctions in accordance with the law.

While this Policy respects the right of Board members to use social networks, Board members shall recognize they are held to a higher standard than the general public with regard to standards of conduct and ethics. A Board member’s use of social networks shall not damage the reputation of the school district, employees, students, or their families. Board members who use social networks shall ensure their conduct is appropriate for a Board of Education member. Board members should exercise care in setting appropriate boundaries between their personal and public online behavior, understanding what is private in the digital world often has the possibility of becoming public, even without their knowledge or consent.

LEGAL SERVICES

4. All written requests for legal advice and logs of legal counsel contacts shall be forwarded to the **(administrator responsible for maintaining district files of requests for legal advice and logs of legal counsel contacts)** Superintendent of Schools, who shall be responsible to review all legal bills and compare all legal bills to the contact logs and to investigate and resolve any variances.

Any professional services contract(s) for legal services shall prohibit advance payments. Services to be provided shall be described in detail in the contract and invoices for payment shall itemize the services provided for the billing period. Payments to legal counsel(s) shall only be for services actually provided.

School districts and vocational school districts are prohibited from contracting with legal counsel or using in-house legal counsel to pursue any affirmative claim or cause of action on behalf of district administrators and/or any individual Board members or pursuing any claim or cause of action for which the damages to be awarded would benefit an individual rather than the school district as a whole.

The Board of Education will annually establish prior to budget preparation, a maximum dollar limit for each type of professional service, including legal services. In the event it becomes necessary to exceed the established maximum dollar limit for the professional service, the Superintendent of Schools shall recommend to the Board of Education an increase in the maximum dollar amount. Any increase in the maximum dollar amount shall require formal Board action.

Contracts for legal services will be issued by the Board in a deliberative and efficient manner that ensures the district receives the highest quality services at a fair and competitive price or through a shared service arrangement. This may include, but is not limited to, issuance of such contracts through a Request for Proposals (RFP) based on cost and other specified factors or other comparable processes. Contracts for legal services shall be limited to non-recurring or specialized work for which the district does not possess adequate in-house resources or in-house expertise to conduct.

Contracts with Independent Consultants

#### 0175 CONTRACTS WITH INDEPENDENT CONSULTANTS

The Board of Education may from time to time engage the services of one or more independent contractors to advise and assist the Board in analyzing school district operations and preparing Board reports when those tasks cannot be performed as economically by district staff members.

Wherever possible, the Board will seek proposals from multiple sources before a contract with an independent consultant is entered. The Board will not contract with a Board member or the spouse, child, parent(s) or legal guardian(s), or sibling, in fact or in law, of a Board member as an independent consultant.

The Board will engage the services of an independent consultant only by written contract, which must specify the work to be accomplished by the consultant, the time within which the work is to be completed, and the fee that will be paid the consultant. An independent consultant engaged by the Board is neither agent nor employee of the Board and may represent the Board only as expressly authorized to do so in writing.

An independent consultant may have access to such school facilities and school district employees as may be reasonably required in the performance of the consultant's contract with the Board. Except as expressly permitted by the contract, any communication between the consultant and a district employee or community member regarding the work of the contract must be conducted through the Board or a designated school official.

Materials and reports generated and created by the independent consultant in the performance of his/her contract with the Board are and will remain the property of the Board and are subject to Board Policy No. 8310 on public records.

Approval/Ratification

#### 0176 COLLECTIVE BARGAINING AND CONTRACT APPROVAL/RATIFICATION

The Board recognizes a Board member and/or a member of his/her immediate family may be a member of, or salary is determined by, a labor bargaining unit, professional association and/or union that has an affiliation with a bargaining unit, professional organization and/or union within the school district. The Board member does not automatically violate N.J.S.A. 18A:12-24 by voting to approve and/or ratify this contract solely on the basis of his/her status or that of an immediate family member with respect to membership or representation by a different local affiliate of the same statewide association with whom the agreement is made provided the Board member's involvement with such local affiliate has not or appears to have not compromised the member's objectivity or independence of judgment.

In accordance with N.J.S.A. 18A:12-24, the Board member shall not participate in the collective bargaining process and/or serve on the negotiations committee representing the Board with this unit, association, and/or union. The Board member may be apprised of the terms of a tentative memorandum of agreement with this unit, association, and/or union in closed and/or open session only after a tentative memorandum of agreement has been reached. The Board member may vote during the public meeting to approve and/or ratify a contract with this bargaining unit, professional association and/or union.

The Board member shall not participate in any aspect of negotiations and/or vote to approve/ratify a tentative memorandum of agreement/contract ratification if the Board member has an immediate family who is a member of the bargaining unit, professional association and/or union within the school district. Under this circumstance, the Board member may only vote in the event the school board attorney advises the Board the Doctrine of Necessity must be invoked in accordance with Policy No. 0163.

In addition, the School Ethics Commission Decision A16-00 states a Board member may not participate in any aspect of negotiations and/or vote to approve/ratify a tentative memorandum of agreement/contract ratification if the Board member has a "relative" who is a member of the bargaining unit, professional association and/or union within the school district.
